

Bale Spear Assemblies

For Ag Loaders • Telehandlers • Skid Steer Loaders

Heavy Duty Bale Spears

Greater Strength - Larger Spear - Heavier Frame

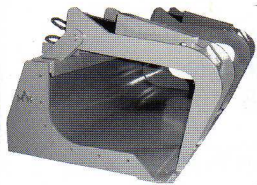

Standard Duty Bale Spears

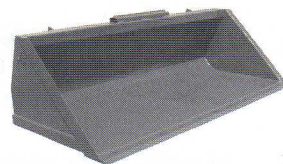

3" square tube frame for strength and durability

- Available with One, Two or Three spears to handle round or large rectangular bales.
 - Available in Standard Duty or Heavy Duty
 - Heavy Duty with 3" & 4" square tube frame and 2 1/8" spears for greatest strength.
- Spears are tapered - forged - heat treated for greater strength and easy insertion and removal.
 - Quick-attach couplers for most loaders or direct pin on available.
 - Low-profile for visibility of spear tip.
 - Spear is retained with bolt for greater spear strength.
